

*2pac ones wrote a poem
The rose that grew from the concrete
Now It obvious that i aint 2pac
and the legend 2pac aint me*

But

*that poem made me think
That iwe should see our city
as a concrete jungle.*

*Where we all are equal roses.
Imagine where we are going to be
in few years, a decade or in a century*

*Nobody wants to be a one day fly right..
Success doesn't happen over night right..
So maybe it's time to make a left
instead of being a left over...*

Tonight !!!

*I welcome you all to my city
I know that's the Mayor's job
But bear with me...*

*We live in 0-10 '
That means we make a ten out of a zero
like its nothing*

*I come from a city whose known
for not giving up
and stand for something.*

If there is an obstacle

We crush it

Diversity

WE LOVE IT !!!

*0-10 the city of dreams
And we will get the job done
by any means !!!*

Necessary

The future

We will be more than ready !

*We have the whole world in the house tonight....
So the first round of applause is for yourself
Because you could have been everywhere in the world
But you chose to be here with me....
and That's a quote i stole from Jay-z*

*It was all a dream
No it wasn't B
every single person here tonight*

followed their dream

*We have 40 new roses that i have to welcome tonight
and We are going to speed things up a little bit.
Let give the new roses a welcome they will never forget..
And instead of doing clap clap clap
We do **WHAP WHAP WHAP**
Ok... !*

Let's start in Europe

*They say that life is a vicious circle
I say Life is a loop
The first company i want to welcome to you
came all the way from spain
Liveloop The Professional Looping Software for Live Music Performances*

*life has expanded our imagination
Artificial intelligence has entered today
And no A.I is not stupid
because we do it **in a wisdom** way*

Awesome...

*Maybe we can have our first Artificial intelligence call through **Swisscom***

*In 0-10 You are **innocent** until proven guilty.
Thanks, now we can at least have our healthy drinks before trial
mannnnn !!*

*I am a vocalist so with other words i need my **VOX To Supply a group**
so they can hear my message...*

*Through the **Geomatrix earth science** you can find almost everything you need !*

*I know everybody knows twitter
well there is a new bird in town to detect high risk containers in the harbor
Give it up for **conexbird**.*

*We are almost done with the european companies
And from now on i can make smart online payments
through **Vitesse PSP***

stay with me..

Everytime i have to make tough decisions
i crunch analytics

*My **logistics venta trans europe***
That just sounds expensive...

We have a saying in 0-10
Turkey is always #1
So if you are searching for a solution
*You call **Nuvo Tasarim Or separ Plastics***
cause we like answers and don't like pollution.

Let's welcome our Roses from Asia

We have some big players in the house tonight
This is the #4 on the fortune Global list 500
They are an oil and gas company
*Give a warm welcome to **Petro China international.***

Malaysian Rubber Export Promotion Council supply 60% of the global rubber glove market.

And if your looking for an investment call **Jiashan China-Europe Innovation Center.**

Its 2019 so i am about to store my energy at **Nippon Koei Energy.**

2pac said all eyes on me but if it comes to chemicals i will reach out to the KPB
Kumho P&B Chemicals, Inc.
Roses don't grow separate
*but in a **pact - engineering***
Pluss Advanced Technologies & Planys Technologies
make innovation look easy

And if you're looking for a steady partner in the harbor call **RMS Marine Service**

or if your looking for some real power call **Growatt**

The Malaysian Timber can always provide you with some **Council (MTC)**

I will not be surprised if we are about to built our first iron man
*With **Cyberdyne inc, Special thanks to Dr Sankai***

Sinomed is fighting hard to save our hearts
*The same thing can be said for **Centrient Pharmaceuticals.***

Cosco Shipping Specialized Carriers that was a whole sentence by itself

And there is one company who inspects it all
ASCO International Inspection and Certification Services.

*Damn that is whole mouth full
That's a dutching saying
That really doesn't sound good in english.*

Let's welcome our only rose From africa

*We haven't talked about food yet
and this company provides solutions from matooke
That my favorite banana
Give a warm welcome to the roses from **gabanna***

And from the roses in africa to the roses in america

*Its October and that means that from now on it's going to be cold.
The people are going to complain and be sad
But that's over now !.
Are you still with me
Give it up for the people who bring joy even in the winter from
The happy city*

*My wife said i gained some weight
so i will donate some of my fat to **bbn Cardio**.*

*From sunup till sunday
Lev GET's me around town*

*I'm about to **soom** in
and talk with the award winning technology geeks from the **ocd lab**.*

*Rotterdam makes it happen ,**Arktura** makes design happen
I feel like there is a match made in technology heaven.*

*Anddddd
How dope is that !!!
I can buy a bio 3d printer at **Aleph Objects***

*A new platform has found its way to our traveling city
give it up for **localie**.*

*We love family businesses so the last rose from america is
Uncle **Tito Smart Modal Logistics***

*It's time to say G'day Mates to our last two roses
The **IDE GROUP** And vertron
And with those two companies
this poem closes !!!*

YMP
