About Supernova Hotel

Winner of the Entree Award 2019 for Best Hotel Design: Supernova Hotel.

A characteristic boutique hotel with color-blocking palettes that refer to the many cultures that the Rotterdam Kruiskade represents. The centrally located hotel has 38 rooms and suites. Each room has its own characteristics such as a balcony, an attractive view, a record player or a comfortable lounge chair. Immediately upon entering, the guest experiences a home feeling through the warm interior. In addition, the back of the building has a quiet garden for guests, the Urban Oasis, where four rooms of the same name are adjacent.

A highlight in Supernova Hotel is the bar where you can taste the Rotterdam culture, even if you don't stay overnight. For this they collaborated with local parties; such as coffee from Giraffe, bottled cocktails from the world-famous cocktail bar Dr. or bar bites such as satay from Indonesia. In the lobby, you will also find the Library lounge (seating area with a good selection of books) and Superette (shop) full of local products such as bags from Susan Bijl, chocolate from the Bonte Koe and Supernova's own body care products. Moreover, the hotel presents in its rooms a contemporary art collection of renowned Rotterdam artists and young talent. Most of the works are for sale through the hotel.
