## About Stayokay Rotterdam

Stayokay Rotterdam is a hostel with 49 rooms in the world-famous Cube Houses of Rotterdam. The houses were built in 1984 and designed by Dutch architect Piet Blom. In 2009, a number of them were renovated and converted into a hostel.

The sleek and stylish interiors of Stayokay Rotterdam were designed by a design agency. Each room is different, but they all have their own bathroom and free Wi-Fi. Guests can relax and enjoy a bite to eat in The Cube restaurant or in the lounge. The hostel is located between the Laurenskwartier and the Scheepsvaartkwartier, right next to the Oude Haven, a historic inner harbour with numerous restaurants and bars. It is close to Blaak metro and train station and several trams stop right outside. Parking is available in the Markthal parking garage, a stone's throw away. It is also possible to rent a bike.
