## About The Rotterdam Tours

Rotterdam Tours organizes guided tours through the city, in icons, through neighborhoods and past special addresses. Always with something extra: water taxi, something to taste, a view, a meeting or a look behind the scenes. For example, De Rotterdam Tours creates 'Happy tours with impact' for families, companies, large multinationals, tour operators, festivals & conferences. De Rotterdam Tours is often a knowledge partner for educational and professional organizations that come to Rotterdam for specific themes such as architecture, area development, innovation, retail and resilience. Rotterdam Tours never says no and is happy to provide tailor-made solutions: then you will receive the best help and the versatile city will be at its best!

Rotterdam Tours works personally, informally and professionally. Your outing, excursion, event or day program is thought out with dedication, including catering and transport. With a team of 45 guides with varying knowledge and skills, in 12 languages, the best match for your group will always be found. This also applies to the Tuk Tuk service: flexible and reliable. Cordiality, fun and expertise go hand in hand at De Rotterdam Tours. Whether you are knocking on your door with 10 or 1,000 guests.

A tour that is often booked, with or without customization, is the Titans Tour. In 2.5 hours you will visit architectural icon De Rotterdam, enjoy the view from the roof of Pakhuismeesteren on the Wilhelminapier, visit the Foodhallen, sail under the Erasmus Bridge by water taxi and the guide will take you past the White House, the Old Port, the cube houses – with a visit – and the Market Hall where you will meet an entrepreneur who offers something to taste.

De Rotterdam Tours has specially devised De Rotterdam Weekend Tours for individual tourists: a website with a choice of tours on Friday, Saturday and Sunday. The tours always continue. Choose your favorite tour, simply buy a ticket and enjoy Rotterdam!
