About Unesco Werelderfgoed Kinderdijk

They are world famous for the nineteen windmills of the UNESCO World Heritage Kinderdijk. Crown jewels that are well worth a visit. In the northwestern tip of the low-lying Alblasterwaard near the village of Kinderdijk, the nineteen windmills are located along the overwaard and Nederwaard boezems. Windmills are among the most important Dutch monuments, nowhere else in the world are so many (historical) mills located together.
