About Foodhallen

The Foodhallen Rotterdam is located in the monumental Pakhuismeesteren warehouse, in one of the most beautiful and exciting places in the city.

The building was used from 1818 to store exotic ingredients from distant lands. Now it is a beloved gathering place for good food and drinks from all over the world, with dishes from fifteen different cuisines. The raw edges of the old warehouse have been preserved in the industrial building, such as high unfinished ceilings and concrete pillars.

Just like the sailors who inhabited the area in the last century, you can eat together in the Foodhallen at comfortable, wooden tables. The central point is the bar in the middle of the hall, including artisanal and local beers and international wine classics.

Every Tuesday visitors to the Foodhallen can enjoy top artists who come to play live during Bands & Bites. Visitors can also visit the Foodhallen Rotterdam for a party, a meeting, meeting or event.
