About FutureLand

FutureLand is an interactive information centre about the construction of the Maasvlakte 2 Port of Rotterdam extension into the North Sea. It is on the edge of the reclaimed Maasvlakte land and the Panorama Deck offers a view of the new Maasvlakte 2, some of which is still being developed. Visitors can learn all there is to know about the innovation involved in the new port extension, how it was constructed and the work that goes on there.
