About FutureLand

Information center

A visit to the free FutureLand information center not only tells you everything about the development of the port, at Maasvlakte 2 you can see the largest container ships and most modern container terminals with your own eyes! FutureLand is suitable for young and old, port enthusiasts and gamers, families and groups. There is always something to do in the interactive environment. Take a VR trip through the new port area or book a cruise through the most modern port in Europe! Experience for yourself what it is like when cranes, ships and ports are big, bigger, biggest. Get on the Futureland Express and take a special tour through the most modern port area in the world. Or take to the water and take a cruise on the Futureland Ferry. You can't get any closer to the largest container ships.
