About Lasergame Rotterdam

Laser tag in the hold of the ship De Zwarte Zwaan. You descend into the hold and imagine yourself in a submarine. You will be prepared in the engine room. The sound of sonar and water enhances the underwater experience. After the explanation you will know how to use the laser gun to defeat your opponents. Then you enter the arena for an exciting battle. You will be shot through portholes. You take cover behind oil barrels and engines. In the arena of 300 m2 you can go all out! Can't get enough of it after the first session? Then continue for a second session and improve your score.
