## About New Luxor Theater

### The New Luxor Theater

The modern building, in a theatrical red colour, is located at the beginning of the Wilhelminapier, on the Kop van Zuid. The programme of this large amusement theatre (over 1,500 seats) offers a diverse range of theatre for young and old. Several days a week, short and long-running performances are shown, often large-scale productions, consisting of musicals, shows, cabaret, theatre concerts, opera, circus and dance.

The theatre performances are also suitable for group bookings and company outings, from 20 people to a maximum of 1,535 people. Various arrangements are possible, in which a performance is combined with, for example, a drink or dinner.

### Accessibility

Luxor Theater Rotterdam is located right next to Wilhelminaplein Metro Station and the tram also stops more or less in front of the door. Cars can park in one of the nearby parking garages.
