About Euromast

Your (business) event at a height of 100 meters!

We would like to welcome you and your guests to one of our beautiful rooms, for a business or private meeting, a drink, reception or dinner. Because every occasion is different, we are happy to discuss all options with you, so that your event runs exactly the way you want! Looking for a special location for a fantastic party? Then you can rent the Euromast exclusively for your group!

Inspiring, unique and memorable

With a view of the city and Rotterdam's world port, the Euromast is perfect for an inspiring meeting in a unique setting. It is possible to rent a space in the Brasserie exclusively or even the entire Euromast. We also have a special boardroom called Dusk, equipped with all necessary facilities and state-of-the-art technology.

Eat Drink

We offer fully catered packages that fully match the purpose of your event. Do you want something just a little bit different? Of course, we are also happy to facilitate that. Let us know your wishes and needs and we will make a proposal that fully meets your needs.

Complete outing

Combine the meeting immediately with a fun outing. During the break, take the Euroscop to the top (185 meters high) and then continue again full of inspiration. An efficient layout for the most productive meeting possible. Have you also thought about team building? Then complete the package with an exclusive abseiling experience.

Sustainable location

The Euromast has the golden green key certificate. This is the highest level of proven sustainability for daytime recreation. We follow measurable guidelines for sustainability policy, aimed at treating people and the environment carefully.
