About JACK

At JACK Rotterdam – thirty years of dance history are celebrated with food and cocktails. Located in the vibrant heart of Rotterdam, JACK stands out not only as a restaurant, but as a unique location where every visit is a party. What makes JACK unique is that its philosophy is based on the ideas of house music: solidarity and diversity. JACK's desire to bring people together, no matter who you are or where you come from, is why you'll find the words "Our House is Your House" above JACK's entrance.

The interior reflects the dynamic spirit of Rotterdam's dance history, offering a warm, inviting atmosphere centered on the motto "Our House is Your House". From the international to the local Rotterdam artists who have contributed to the "Jack-perience" to the special toilets, every corner of JACK tells the story of the journey of dance music over the last thirty years.

Located just 5 minutes away from Rotterdam Central Station, located in the unique Hofbogen, JACK is also very suitable for (international) meetings of up to 500 guests, such as corporate events, product launches, weddings and more. And to enjoy sit-down to walking dinners. A DJ booth, professional lighting and the option for live musicians are also available. JACK also has the option to transform the location into the corporate identity of the event organizer through unique branding options.
