About De Markthal

You'll find an indoor market hall in various world-class cities, but the combination with luxury housing makes Rotterdam's Markthal the first of its kind. The apartments are draped over the food market in a horseshoe configuration. The Markthal has about 100 fresh food stands, nearly 15 food shops and various restaurants, with a supermarket and a four-level underground car park below. As you wander amongst the market stands, look up to enjoy the massive artwork sprawling across the ceiling: the 'Horn of Plenty' by Arno Coenen and Iris Roskam. Thanks to this grand span of art, the Markthal has been referred to as the Dutch version of the Sistine Chapel.
